SKIN TAG & MOLE REMOVAL	Single	Additional
	\$39	\$19

Skin Tags are tiny pieces of slightly discolored free hanging skin. They are removed by Cauterization (heat treatment). The procedure is quick, painless, and most importantly, permanent.

PRP

PLATELET-RICH PLASMA

A concentrate of platelet-rich plasma (PRP) protein derived from whole blood, centrifuged to remove red blood cells. Platelets are key factors in hard and soft tissue repair mechanisms. They provide the essential growth factors that are involved in stem cell migration, differentiation and proliferation. The stimulation of fibroblasts and endothelial cells induces new extracellular matrix deposition and neo-vascularisation.

CONTROL CORRECTIVE

Skin Care Product

COLLAGEN EYE DEFENSE \$46 : Lightweight and non-greasy, Collagen Eye Defense glides on your skin to fight signs of aging, such as fine lines and uneven texture. Featuring a superior blend of penetrable lipids, Collagen Eye Defense gently maintains surface hydration and smooths fine lines

CERAMIDE DAILY CREAM \$38 : Rich and silky, hydrating while preventing future moisture loss. This anti-aging cream strengthens the lipid barrier in order to maintain the skin's optimum water content with nourishing ingredients such as Vitamins E and A.

CUCUMBER BEAD CLEANSER \$29 : Removes dirt and oil while deep cleaning for the skin's maximum refreshment. Gentle enough for all ages, this refreshing cleanser works well as a luxurious body polish or as a facial pre-shave without irritation or abrasion. The circular jojoba beads in this cream base efficiently exfoliate pore-clogging oils while killing harmful bacteria.

RETINOL C SERUM \$72 : Retinol C Serum is calibrated to calm the complexion that is riddled with uneven pigment, visible signs of skin aging (like wrinkles and loss of elasticity), skin troubles (acne breakouts) and the residual effects of both (uneven pigment) in a single powerful serum.

CLEAR MED 5% \$32 : Bacteria-killing benzoyl peroxide, with the addition of sulfur to dial up the efficacy of both. The sulfur-enhanced benzoyl peroxide penetrates deeply to loosen pore-clogging debris and hardened oils while killing bacteria and soothing inflammation.

SULFUR CALMING MASK \$40 : Absorbs excess oil and calms inflamed skin. Creamy, comforting aloe absorbs excess oil, helps reduce enlarged pores and offers cool relief for tender skin, excellent as well as an overnight spot-treatment for painful blemishes.

OIL FREE SPF \$38 : Sunscreen and facial moisturizer in one. Hydrating, antioxidant-rich, Oil-Free Sunscreen SPF 30. Microfine zinc offers broad spectrum physical sunscreen protection from both UVA (the aging rays) and UVB (the burning rays) without leaving a greasy film.

AGING CONTROL STARTER KIT \$58 : Comes with Gentle Cleanser, Tri-Peptide Serum, and Anti-Wrinkle Face and Neck cream.
